The C.C. was reluctant to spare the services of Mr. R. Baker.

4) There appears to be no objection to the appointment of the two non-official gentlemen referred to as Honorary A.D.C.'s and confer on them the title of "Captain", to be held so long as they are on the staff of His Highness the Yuvaraja.

As regards the Military Officer to be appointed as A.D.C., the reply of the Chief Commandant is perhaps to be awaited. The proposal is likely to involve some extra cost and may require financial concurrence also. Action will be taken on hearing from the C.C. I wanted for it till now. I am writing to him separately.

A D.S.N. is submitted for consideration.

Bangalore,

Dear Mr. Thammaiya,

With reference to the request which you asked me to convey to the Dewan regarding the appointment of certain gentlemen as A.D.C's to His Highness the Yuvaraja, I am desired to say that it is very much regretted that no orders can be passed in the matter by the 1st proximo as requested, as there is hardly any time for the proposal to be considered in the Financial Department and to obtain His Highness the Maharaja's orders etc.

In the meanwhile, I am to enquire whether Mr.Rasheed is entitled to be called Nawabzada and if his father is or was a Nawab. If so, it would be well to ascertain his name and other

particulars

particulars before gazetting him as such.

Yours sincerely,

Dear Mr. Noronha,

With reference to your D.O.letter No.2607 dated the 31st December last, I am desired to send you herewith a note prepared by Mr. Rashid which explains that owing to unfortunate vicissitudes in the history of the family, his father or himself did not press their claim to be recognized by Government as Nawab or Nawabzada; but that, as pointed out by him, it is a courtesy which he received at the hands of his relatives, friends and the unofficial public. You will see from the note that Mr.Rashi is not now particular about this prefix to his name and suggests that it may be dropped. His Highness is of the same view.

2. As it is usual to give some Military designation to persons holding the appointments of A.D.C.'s His Highness now suggests that both Rana Lakshman Singh and Mr. Mohammed Rashid Khan be given the honorary title of Captain and appointed as Hon. A.D.C.'s to His Highness. I am therefore to state that the appointments of A.D.C.'s

may accordingly be notified as follows:-

I. Captain C. Nanjaraja Bahadur is appointed as A.D.C. to H.H. the Yuvaraja of Mysore.

II. Rana Lakshman Singh and Mr. Mohammed Rashid Khan of Muhammadabad are appointed as Hony. A.D.C.'s to His Highness the Yuvaraja of Mysore and they hold the honorary title of Captain so long as they are on the Staff of His Highness.

Yours sincerely

My father was not a Nawab officially as my grand father Nawab Majiduddin Khan of Moradabad was shot during the Mutiny for siding the Moghuls and all his property confiscated. As the title of ~~the~~ Nawab was given by the Mogul Emperors to the family for the distinguished services, the family never bothered for its recognition by the British Government except that I believe that for male ~~members~~members born before 1857 this personal disitinction was to continue during their life time. In my deceased father's case he hated to be addressed as a Nawab as he realized that a title without enormous means was only a humiliating thing. So he dropped it. But better families of United Provinces and the public always addressed him as such. As no restitution of property was made, my father did not want to be addressed as a Nawab; but strangely enough in spite of change of fortunes during the Mutiny, all other members are still addressed as the Nawabs. It is an unofficial public ~~courtesy~~ courtesy except in some cases of family members, where in official despatches they are so addressed. I too did never care for a prefix to my name. Others called me whatever they wished. Personally I always remained as Mr. Rashid, except that in 1926 the late Maharaja of Muhammadabad who was very devoted to his family tradition insisted that I should continue a bit of family title and use a prefix. Unfortunately to my sudden departure for Europe and then on my return for his sudden death, I never pressed my claim for official recognition and I doubt if I ever care to do it. The better fsmilies of United Provinces knew m forefathers and they always address me with due courtesy which is however more important to me.

The family in India were known as the Sheiks of Lucknow who rendered meritorious services and were distinguished

men of sword and letters. The Mutiny changed the fortune and now the only members of the family who hold eminent estate are Belahara, Muhammdabad and a few samller Taluqdars of Oudh. The family is spread all over from Muhammdabad to Moradabad. In Oudh they are addressed as Rajas and Rjkumars. In the rest of United Provinces as Nawabs and Nawabzadas. But I believe it is all dying out. It should be noted that the descendants of the last Moghul Emperors and also King of Oudh in great numbers never saught recognition. But they had the public recognition from the people.

In my case, as I said, I have never pressed my claim I believe in the matter of gazetting, a plain Mr. Mohammed Rashid will be just as well, and I will enjoy it for personal disitinction. I hope in a slight way this note explains the situation. My greatest honor and title is that I regard myself as a loyal and true devotee of Mysore Royal House and H.H.the Yuvaraja Saheb and H.H. the Maharaja Saheb and the people of Mysore.

My present distinguished relatives are

Raja of Muhammadabad through a network of relationship

Dowager Rani of Belahara(my aunt)

Late Raja of Bhatumave and

Many other Taluqdars of Oudh.

Present generation has changed very much and the old aristocracy is dying out. The family still is regarded as the premier Mohammedan noble family in Northern India.
